**SUBJECT: Pacific Highway Cargo Facility Lane Closure beginning March 2, 2020.**

---

**DISTRIBUTION:** Customs Brokers, Importers, Freight Forwarders, Carriers, CFS Operators, CES Operators, and other Interested Parties.

---

**PURPOSE: Advisory of Lane Closure at the Blaine Port of Entry Cargo Facility.**

A project to replace an existing primary inspection booth at the CBP Pacific Highway Cargo facility will begin on March 2, 2020, and continue through May 2020.

The project will require the closure of one lane during construction. CBP at Blaine will implement strategies and make every effort to mitigate delays related to the lane closure.

We encourage Customs Brokers, Importers, Freight Forwarders, and Carriers to monitor Border Wait Times and consider utilizing alternate Ports of Entry during intervals of heavy traffic volumes.

Wait Times are available at the following websites:
